SECTION 2. PUT-AND-TAKE REQUIREMENT. (a) During second and third reading consideration of the bill, any amendment that adds or increases an item of appropriation in the bill made from general revenue or a general revenue-dedicated account is not in order unless the amendment contains an equal or greater reduction in one or more items of appropriation in the bill from general revenue or from a general revenue-dedicated account, regardless of whether the general revenue-dedicated account is subject to certification.

(b) The provisions of this section do not apply to an amendment that makes an adjustment in an item of appropriation solely to correct a technical clerical error.

SECTION 3. OPENING DEBATE. (a) The opening debate on H.B. 7000 shall not exceed 40 minutes. One extension of time, not to exceed 20 minutes, may be granted by majority vote. A second extension of time may be granted only by unanimous consent.

(b) The first 20 minutes of the opening debate period shall be reserved for an explanation of the bill, without interruption, by the bill's author, and, in succession, by the chair of each subcommittee of the Appropriations Committee.

(c) The second 20 minutes of the opening debate period, and any extensions granted pursuant to this rule, shall be reserved for the bill's author and the subcommittee chairs to respond to questions from members regarding the content of the bill.
